Mr. Russell provided an overview on the difference between a joint and shared court: A joint municipal court consolidates multiple courts into one encompassing a large geographic area, size determined by the number of participating municipalities, under one joint court name. Any complaints are combined into the joint court and the Governor, with the advice and consent of the Senate appoints, the joint court judge. In a shared court both individual courts share a space, staff and supplies with each court maintaining identity, court names, its own set of bank accounts and ticket books, and manages their own caseload. All cases are heard in one location, here in Aberdeen, and they both have jurisdiction of the original court, maintain their own court codes, employees have own computer access. Both the

Township and the Borough will have their own judge chosen by their Governing Body. This Agreement retains Aberdeen Township's Court Administrator and Deputy Court Administrator for both courts with the anticipated hire of a violations clerk. The Borough of Matawan has provided insurance indemnification and a hold harmless.

Council President Deana Gunn thanked Messrs. Carew and Russell for their work on this Agreement and for keeping everyone well informed. There are many benefits to this Agreement one of which is for the Court itself. In speaking with the Borough Police Chief, he is excited to be working with Aberdeen and to foster a closer relationship with the Court. The physical location will better serve the Matawan Police Department with an already a well-established relationship with Aberdeen, its Police and Court personnel.

Councilwoman Margaret Montone questioned if each town will have its own time slot. Mr. Russell replied, Aberdeen currently hosts a Wednesday court. In consultation with Mr. Carew and Ms. Wiczoreck, Aberdeen will hold court on Wednesday mornings with Wednesday afternoons slated for Matawan. All staff is already present, and once we re-open for in-person court, security personnel are already in place as well.

Councilman Arthur Hirsch asked if there will be 2 four-hour sessions? Mr. Russell replied, yes, with a possible hour's break in between.

Councilman Robert Swindle questioned impact to Aberdeen's budget. Ms. Angela Morin, Aberdeen Chief Financial Officer, replied, Aberdeen's revenue will increase and can take more expenses out of the appropriation cap, and Best Practices credit for a shared service.

Council President Deana Gunn informed Matawan does expect a cost savings with an exact number for Matawan to be determined and available once the Borough receives AOC approval and results of pending RFPs. Councilman Brett Cannon concurred relating the Borough's continued efforts to establish the benefit of shared services.

Councilman Greg Cannon questioned if both Administrators have done an analysis for additional shared services, ie, personnel. Mr. Carew, replied, they are looking to other possible shared services.

Mr. Russell provided instruction for public participation and opened the floor to the Hearing of the Citizens.

**Hearing of the Citizens**

Mr. Russell opened the Privilege of the Floor for the Hearing of the Citizens.

Thomas Perry, 210 Cashel Drive, Aberdeen. Mr. Perry questioned the one-day session and the availability of Aberdeen parking, and asks if there was a review of cost impact of multiple days. Mr. Russell, replied, yes, and informed the Agreement includes a joint municipal committee to monitor the Shared Court. The cost of everything will work if one- or two-day session(s). Mr. Russell added he does not see a parking issue. Mr. Perry asked why Matawan was leaving Hazlet. Mr. Carew informed the current agreement expires December 31, 2020, and the benefit of the physical logistics were most evident. The study of the cost of one vs two days, as each municipality will have its own Judge, Municipal Prosecutor and Public Defender, no study really needed to be done as there is no significant increase to cost by having to separate into two separate days was not an issue, but he cannot speak as to the parking issue. Mr. Perry disagreed stating there will be quantitative costs to the municipality. Mr. Perry questioned the number of shared services with Matawan. Council President Gunn informed of shared services for EMS. Mr. Carew informed Code enforcement and construction zoning officers are employed by each municipality separately. Mr. Perry asked for clarification on Best Practices. Councilman Greg Cannon related Best Practices Inventory and shared services.

Mr. Russell closed the Privilege of the Floor for the Hearing of the Citizens.
