

FOR IMMEDIATE RELEASE

Relay For Life of Matawan NJ will be kicking off their 2016 event at the Matawan Regional High School Student Faculty Basketball Game on Tuesday, January 26 at 6:30 PM in the Upper Gym.

The suggested donation is \$5.00 and all proceeds will benefit the Relay For Life of Matawan NJ 2016 fundraising efforts for their event at Matawan Regional High School on May 21- 22, 2016.

Relay For Life is an American Cancer Society team event where participants walk laps in honor of those fighting cancer, those who have survived their fight with cancer and remembering those who lost their battle.

Our Matawan event is a family friendly, fun filled, community based event that highlights the services, research and treatments that the American Cancer Society provides on its mission to eliminate cancer as a major health problem.

Our volunteers and dedicated teams have raised over \$318,000.00 over the last three years to help achieve these goals.

At our kickoff, people can learn more about what the American Cancer Society provides, join a team or start their own team, and get involved with our planning committee for our May event.

For more information about Relay For Life, the American Cancer Society and our May 21 – 22, 2016 event, please visit our website www.RelayForLife.org/MatawanNJ .

Please like us on Facebook Relay For Life of Matawan; follow us on Twitter @Matawan_RFL and Instagram Matawan_RFL to support Relay For Life of Matawan at local fundraising events throughout the year.
