Dear Residents,

As winter approaches, our final scheduled leaf pick-up week is ending on Friday, December 12<sup>th</sup>. Please have any remaining leaves on the curb line for Tuesday, December 17<sup>th</sup>. Please ensure any leaf piles are put out to the curb before this date. In the event you have any remaining leaves after this timeframe, Matawan Borough operates a Recycling Center for all resident's year round that accepts bagged leaves and brush.

Thank you for your Cooperation.
