

SENIOR RESIDENTS COVID-19 VACCINATION REGISTRATION HELPLINE

The Matawan Mayor and Council have set up a phone helpline for Matawan SENIOR RESIDENTS, 65 AND OLDER, to receive help registering with COVID-19 local vaccination sites.

In an effort to help ensure as many of our senior citizens gain access to the registration process for the COVID-19 vaccination sites, Matawan Senior residents can call the phone number provided below any time between 10 am – 2 pm, Thursday, 3/11 or Friday, 3/12. CERT volunteers will answer the call and will take the caller's name, address, phone number, and birthdate information for registration on the vaccination site.

This is the first step - getting registered with vaccination sites.

The second step - receiving an appointment notice directly from the vaccination site to make an appointment. Seniors will need to watch for phone or email notifications about appointment availability.

HELPLINE PHONE NUMBER: 732-497-6400
Thursday, March 11th & Friday, March 12th
10 am – 2 pm
