Public Session
September 19, 2017**

A regular meeting of the Borough Council of the Borough of Matawan, New Jersey, was held at the Matawan Municipal Community Center, 201 Broad Street, Matawan, New Jersey on September 19, 2017 with Mayor Altomonte presiding. Pursuant to Section 5 of the Open Public Meetings Act, adequate notice of this meeting has been provided by publishing notification in *The Independent* on January 11, 2017, by sending notice to the *Asbury Park Press*, and by posting. A copy of said notice is and has been made available to the public and is on file in the Office of the Borough Clerk. A copy of said notice has also been sent to such members of the public as have requested such information, in accordance with the Statute. Mayor Altomonte called the meeting to order at 7:14 PM requesting a roll call.

On roll call the following members responded present:

Yes: Councilman Joseph Urbano
 Councilman Michael Caldon
 Councilman Michael Vergaretti
 Councilman Brett Cannon
 Councilwoman Josi Salvatore

Councilman Nicolas Reeve was absent.

Also, present were Louis C. Ferrara, Borough Administrator, Pasquale Menna, Borough Attorney, and Jeffrey Fedorchak, Borough Engineer.

Mayor Altomonte announced the addition of Resolution 17-09-23 to the Agenda.

Mayor Altomonte asked everyone to stand for a Salute to the Flag.

Mayor Altomonte asked everyone to stand for a Moment of Silence.

Public Hearing on Major John Burrowes Mansion
Proposed Bidder Pre-Qualification Regulations

Mayor Altomonte requested a motion to open the Public Hearing for Major John Burrowes Mansion Proposed Bidder Pre-Qualification Regulations for public comment. Councilman Urbano made the motion, seconded by Councilwoman Salvatore. Mayor Altomonte requested a roll call. A roll call vote was taken.

Motion passed.

Fran Bucco, 79 Freneau Avenue, Matawan. Ms. Bucco requested an explanation of the work to be performed on the Mansion. Mr. Ferrara informed the New Jersey Historic Trust, who is giving the Borough a grant to refurbish the Burrowes Mansion, requires publication of Pre-Qualification Regulations for Rehabilitation of the Major John Burrowes Mansion for bidders, to pre-qualify the bidders so they can understand what is required before they bid. The bidders are required to have extensive experience with historic buildings and certain materials. This pre-determines who will bid on the Project. Mr. Menna added, whoever does the work has to comply with State historic improvement preservation regulation requirements, and not every contractor is eligible. The purpose of this Public Hearing is to introduce our Regulations for contractor compliance. If any member of the public has an objection to the adoption to these

Regulations that will be part of the contract and now is the time to speak. Frankly, the Council's hands are tied; in order to get the funding because of the historical structure those Regulations have to apply. This is a formality to the State funding.

Mayor Altomonte requested a motion to close the Public Hearing. Councilman Vergaretti made the motion, seconded by Councilman Cannon. Mayor Altomonte requested a roll call. A roll call vote was taken.

Mayor Altomonte read by title Resolution 17-09-15: Borough of Matawan – Adoption of Pre-Qualification Regulations for the Rehabilitation of the Major John Burrowes Mansion, requesting a motion. Councilman Cannon made the motion, seconded by Councilman Vergaretti. Mayor Altomonte requested voice vote. Council Agreed. Motion passed.

**RESOLUTION 17-09-15
BOROUGH OF MATAWAN
ADOPTION OF PRE-QUALIFICATION REGULATIONS FOR THE REHABILITATION OF THE MAJOR
JOHN BURROWES MANSION**

***WHEREAS**, the Borough of Matawan (the “Borough”) has received Grant No. 2015.1007 grant from the New Jersey Historic Trust in the amount of \$149,358.00 towards the Rehabilitation of the Major John Burrowes Mansion (the “Project”); and*

***WHEREAS**, the Borough would like to pre-qualify bidders so that the Project may be undertaken by contractors with the skill and experience to successfully complete the Project; and*

***WHEREAS**, the Local Public Contracts Law, NJSA 40A:11-1 et seq., has set forth the proper procedures for the pre-qualification of bidders at NJSA 40A:11-25; and*

***WHEREAS**, the Law requires that a municipality wishing to pre-qualify bidders must adopt Pre-Qualification Regulations, after first conducting a public hearing on the same; and*

***WHEREAS**, the Project Architect, Eric Holterman, AIA, of HMR Architects, 821 Alexander Road, Suite 115, Princeton, New Jersey 08540, has prepared the Pre-Qualification Regulations and Bidder's Qualification Statement, attached to this Resolution as Exhibit A (the “Pre-Qualification Regulations”); and*

***WHEREAS**, the Pre-Qualification Regulations have been reviewed and approved by the New Jersey Department of Community Affairs; and*

***WHEREAS**, the Borough held a public hearing concerning the Pre-Qualification Regulations on September 19, 2017; and*

***WHEREAS**, public notice of the public hearing was properly published in two newspapers of general circulation in the Borough or County, more than twenty (20) days prior to said hearing; and*

***WHEREAS**, upon review of the Pre-Qualification Regulations, and taking into consideration the comments of the public hearing, the Council of the Borough of Matawan has determined it in the best interest of the Borough to adopt the attached Pre-Qualification Regulations towards the Rehabilitation of the Major John Burrowes Mansion.*

***NOW, THEREFORE, BE IT RESOLVED**, by the Council of the Borough of Matawan, Monmouth County, New Jersey that the Pre-Qualification Regulations, attached hereto as Exhibit A, are hereby adopted.*

***BE IT FURTHER RESOLVED**, that the Borough Clerk is directed to send the following to the Director, Division of Local Government Services, within ten (10) days of the conclusion of the public hearing:*

**Borough of Matawan
Public Session
September 19, 2017**

- 1. *Adopted copy of Pre-Qualification Regulations,*
- 2. *Certified copy, with Borough seal, of this Resolution,*
- 3. *Affidavit of the vote on this Resolution,*
- 4. *A true, certified (by the Borough Clerk) copy of the minutes of the meeting adopting this Resolution, and of the public hearing held pursuant to NJSA 40A:11-25, and*
- 5. *Copies of the legal advertisements from two (2) newspapers for the public hearing.*

Explanatory Statement: Pre-Qualification of bidders is permitted under the New Jersey Local Public Contracts law. Because the Major John Burrowes Mansion is an historic property, and because the Project is of a highly specialized nature, only contractors qualified in relevant historic preservation projects should be allowed to receive bid documents and submit proposals. This will help ensure that the lowest responsible bidder does in fact have the experience and capability to successfully complete the Project.

**ORDINANCE 17-14
REFUNDING BOND ORDINANCE PROVIDING FOR VARIOUS
CAPITAL IMPROVEMENTS RELATED TO THE ENERGY SAVINGS
IMPROVEMENT PROGRAM OF THE BOROUGH OF MATAWAN,
APPROPRIATING \$950,000 THEREFOR AND AUTHORIZING THE
ISSUANCE OF \$950,000 REFUNDING BONDS OR REFUNDING NOTES
OF THE BOROUGH TO FINANCE THE COST THEREOF**

BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF MATAWAN (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

Section 1. *The Borough of Matawan, a municipal corporation of the State of New Jersey (the "Borough") is hereby authorized to pay an aggregate amount not exceeding \$950,000 for various capital improvements or purposes related to its energy saving improvement program, as described generally in the Energy Savings Plan prepared by DCO Energy, LLC on April 25, 2017, and subsequently approved by T&M Associates and the Board of Public Utilities, a copy of which is on file in the Clerk's office.*

Section 2. *For the improvements or purposes described in Section 1 of this refunding bond ordinance, there is hereby appropriated the sum of \$950,000. In order to finance the cost of the improvements or purposes described in Section 1 of this refunding bond ordinance, negotiable refunding bonds are hereby authorized to be issued in the aggregate principal amount of not to exceed \$950,000 pursuant to the Local Bond Law and the Energy Savings Improvement Program Law (N.J.S.A. 40A:11-4.6). In anticipation of the issuance of the refunding bonds, negotiable refunding notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.*

Section 3. *All refunding notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer; provided that no refunding note shall mature later than one year from its date. The refunding notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with the refunding notes issued pursuant to this refunding bond ordinance, and the Chief Financial Officer's signature upon the refunding notes shall be conclusive evidence as to all such determinations. All refunding notes issued hereunder may be renewed from time to time subject to the provisions of the Local Bond Law. The Chief Financial Officer is hereby authorized to sell a part, or all, of the refunding notes from time to time at public or private sale, and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest, if any, from their dates to the dates of delivery thereof. The Chief Financial Officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale of refunding notes issued pursuant to this*

refunding bond ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the refunding notes sold, the price obtained and the name of the purchaser.

Section 4. *The following additional matters are hereby determined, declared, recited and stated:*

(a) *The improvement or purpose described in Section 1 of this refunding bond ordinance is not a current expense. It is an improvement or purpose that the Borough may lawfully undertake as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.*

(b) *The period of usefulness of the improvement or purpose described in Section 1 of this refunding bond ordinance, computed on the basis of the amount of obligations authorized for the improvement or purpose and the reasonable life thereof within the limitations of the Local Bond Law, is 20 years.*

(c) *An aggregate amount not exceeding \$150,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost of the improvement or purpose set forth in Section 3 of this bond ordinance.*

(d) *The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk, and submitted to the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that \$950,000 (the amount of the authorization of the obligations provided for in this refunding bond ordinance) is deductible from the gross debt of the Borough. The obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law.*

Section 5. *The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this refunding bond ordinance. The obligations shall be direct, unlimited obligations of the Borough, and the Borough shall be obligated to levy ad valorem taxes upon all the taxable real property within the Borough for the payment of the obligations and the interest thereon without limitation of rate or amount.*

Section 6. *A certified copy of this refunding bond ordinance as adopted on first reading shall be filed with the Director prior to final adoption.*

Section 7. *This refunding bond ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law, provided that the consent of the Local Finance Board has been endorsed upon a certified copy of this refunding bond ordinance as finally adopted.*

Councilman Caldon reported of a scheduled meeting with Mr. Ferrara and the Animal Advisory Board on the possibility of setting up a dog park somewhere within the Borough. Though still in the preliminary stage they will look to see if it is a viable option for the town. Shade Tree continues to trim trees and shrubs in many areas around town such as Poet's Cemetery and Lake Matawan. The Shade Tree Commission met with the Rotary Club to discuss the Club's request for a tree planting program. The Commission will meet with the Grace Rainforth to discuss a larger footprint on the Borough website.

Construction, Fire, First Aid, Sanitation & Recycling

No report.

DPW, Planning/Zoning, Main Street Development, Property Maintenance

Councilman Cannon related the residents' positive feedback on the four new "Welcome to Matawan" signs. He mentioned some DPW and Property Maintenance personnel issues that would be forthcoming.

Police, ADA, Railroad Parking, Recreation

Councilwoman Salvatore announced "Dogs Night Out" is scheduled for 1:00 to 3:00 PM on October 8, and "Matawan Day" for 12 Noon to 5:00 PM on October 14 inviting all residents to attend and have a great time.

FINANCE THE COST THEREOF**

BE IT ORDAINED BY THE COUNCIL OF THE BOROUGH OF MATAWAN (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

Section 1. The improvement or purpose described in Section 3 of this bond ordinance is hereby authorized to be undertaken by of the Borough of Matawan, a municipal corporation of the State of New Jersey (the "Borough") as a general improvement. For the improvement or purpose described in Section 3 of this bond ordinance, there is hereby appropriated the sum of \$900,000 (such sum being in addition to the \$1,860,000 appropriated in Section 1 of Bond Ordinance No. 16-09 finally adopted on October 18, 2016), including the sum of \$43,000 as the additional down payment required by the Local Bond Law. The down payment is now available by virtue of the provision for a down payment for capital improvement purposes in one or more previously adopted budgets.

Section 2. In order to finance the cost of the improvement or purpose, negotiable bonds are hereby authorized to be issued in the principal amount of \$857,000 (such sum being in addition to the \$1,746,040 authorized in Section 2 of Bond Ordinance No. 16-09 finally adopted on October 18, 2016) pursuant to the Local Bond Law. In anticipation of the issuance of the bonds, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

Section 3. (a) The improvement or purpose hereby authorized for which bonds or notes are to be issued is various road improvements to Stillwell Street and Middlesex Road – Phase II, including traffic striping, ADA improvements, drainage and curbing, and all work and materials necessary therefor or incidental thereto in accordance with the plans and specifications on file in the Borough Clerk's Office.

(b) The estimated maximum amount of additional bonds or notes to be issued for the improvement or purpose is as stated in Section 2 of this bond ordinance.

(c) The estimated cost of the improvement or purpose is equal to the amount of the additional appropriation stated in Section 1 of this bond ordinance.

Section 4. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer; provided that no bond anticipation note shall mature later than one year from its date. The bond anticipation notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with the bond anticipation notes issued pursuant to this bond ordinance, and the Chief Financial Officer's signature upon the bond anticipation notes shall be conclusive evidence as to all such determinations. All bond anticipation notes issued hereunder may be renewed from time to time subject to the provisions of the Local Bond Law. The Chief Financial Officer is hereby authorized to sell a part, or all, of the bond anticipation notes from time to time at public or private sale, and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest, if any, from their dates to the dates of delivery thereof. The Chief Financial Officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale of bond anticipation notes issued pursuant to this bond ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the bond anticipation notes sold, the price obtained and the name of the purchaser.

Section 5. The capital budget of the Borough is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith.

Section 6. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvement or purpose described in Section 3 of this bond ordinance is not a current expense. It is an improvement or purpose that the Borough may lawfully undertake as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

**Re: Middlesex Road Phase II Improvements
Scope and Fee Estimate
Borough of Matawan**

Dear Mr. Ferrara:

T&M Associates is pleased to submit this Scope and Fee Estimate for Professional Services associated with the Phase II improvements to Middlesex Road from State Highway Route 34 to the Middlesex Road Water Treatment Plant entrance.

The proposed improvements anticipated include isolated areas of full depth pavement reconstruction, full width milling and overlay. In addition, sections of the existing sidewalk and combination curb and gutter will be replaced as needed, ADA curb ramps will be reconstructed to comply with current regulations and existing inlets will be cleaned and provided with new grates and heads as needed. Sidewalk will not be provided in areas where sidewalk currently does not exist.

It is also anticipated that the improvements to Middlesex Road will be added to the Road Improvement Program currently being designed. The anticipated construction cost for the Middlesex Road Phase II improvements is estimated to be approximately \$310,000.

It is understood that the Borough has received an NJDOT Local Aid grant for this project in the amount of \$210,000 which will cover a portion of the costs for the improvements. The remainder of the cost is anticipated to be covered by Borough funds.

It is also noted that the section of Middlesex Road between Matawan Green Lane and Block 71, Lot 45 is located in the Township of Old Bridge. This section of roadway is included in the scope of the improvements and it is anticipated that the Borough will contact Old Bridge Township to discuss a contribution from the Township for the costs in this area.

In order to achieve the Borough's objectives, we propose the following scope of services:

A. PRE-DESIGN PHASE

1. Field survey will be provided to determine utility locations, longitudinal gutter profiles, ADA ramps, sidewalk and existing inlet locations and grate elevations. Because the project is not a full reconstruction, it is anticipated that the field survey will consist of roadway cross-sections at approximate 100' intervals and at driveways with concentrations of grades at the intersections for ADA ramp design. Field survey will be acquired by conventional "on the ground" methods.

**Re: Middlesex Road Phase II Improvements
Scope and Fee Estimate
Borough of Matawan**

2. A base map will be prepared at a scale of 1" = 20'.
3. Copies of the base maps will be forwarded to each utility company (and the Borough Department of Public Works) so they can verify the location and sizes of their facilities.
4. Because we are anticipating mill and overlay of the roadway, we will obtain pavement cores to confirm the thickness of the existing pavement. Pavement cores will be obtained in groups of three (edge of pavement, center and edge of pavement) and each group will be evenly spaced across the length of the project. We anticipate 24 cores will be taken across 8 locations.

B. DESIGN PHASE

1. Once the field survey is complete and base map prepared, a design will be prepared based on the information gathered by the survey and field investigation to approximate locations of full depth pavement repair and sidewalk and curb replacement. A preliminary construction cost estimate will be prepared.
2. Final construction plans will be prepared in AutoCAD, incorporated into Contract 2 of the 2017 Road Improvements Project bid sets and consist of the following:
 - a. Construction and Layout Plan Sheets (1" = 20').
 - b. Existing Conditions and Grading and Drainage Plan Sheets.
3. Quantities will be estimated by item, and a final construction cost estimate will be provided and incorporated into the overall estimate for Contract 2 of the 2017 Road Improvement Program.
4. We will add this road improvement to the anticipated Freehold Soil Conservation District Soil Erosion and Sediment Control Certification application for Contract 2.
5. We will submit final plans and specifications to the Borough for final review prior to the incorporation into Contract 2 of the 2017 Road Improvement Project bid documents.
6. Prior to bidding, the design will be submitted to NJDOT for authorization to advertise and, upon receipt of bids, we will request concurrence of award from the NJDOT.

C. CONSTRUCTION PHASE

CONTRACT ADMINISTRATION AND CONSTRUCTION OBSERVATION

We will provide a part-time Project Manager (PM) and a part-time Inspector with additional support services from our office staff, as required by the PM, for the inspection portion of this additional work to be added to Contract 2 of the 2017 Road Improvement Program. In addition to supporting the PM, the inspector will be responsible to observe and document the construction effort to determine that the materials were manufactured and the work installed in general conformance with the contract documents and approved submittals.

Privilege of the Floor

Mayor Altomonte opened the Privilege of the Floor.

Michael Vaccarelli, 15 High Street, Matawan. Mr. Vaccarelli asked for a status update on redevelopment of train station questioning the Resolution 17-09-21. Mr. Menna informed the Resolution itself, is a technical Resolution. The Resolution asks the Borough's prior planner, T&M Associates, to do an updated and revised plan, necessary under State law. This will allow the Borough to move ahead with the project. It is more cost-effective to have the previous Planner revise the previously submitted Plan. Council has appointed a Redevelopment Attorney, and that Attorney has had discussions with Mr. Ferrara and New Jersey Transit. A Report will be submitted in the future. Mr. Ferrara stated Mayor and Council signed a 'Memorandum of Understanding' (MOU) with the NJ Transit which is currently under review by the NJ Attorney General's office. Once complete, the Borough can proceed to advertise an RFP for developers. Mr. Vaccarelli asked how many times the project has been updated, noting that this has been going on since 1999. Councilman Cannon replied this issue was why five of the Councilmembers ran for office. The current municipal government wants to get this project done. Mayor Altomonte noted the Borough is moving forward with it. Mr. Vaccarelli noted Aberdeen is obviously moving forward with the redevelopment, and Matawan is just standing there. Both Councilman Cannon and Mayor Altomonte concurred. Mr. Ferrara pointed out that Aberdeen waited a long time for their MOU from NJ Transit. He acknowledged Aberdeen is a jump ahead as the Borough filed a few months ago, and we're still waiting for State approval.

Mr. Vaccarelli asked for a status on the dam project on Main Street. Mayor Altomonte informed negotiations with the County are in process as the Borough is trying to get the County to understand the Borough will have a hard time affording the project. It is the Mayor's belief negotiations are going well. Both the Borough and County put an application in with NJ DOT for grant money. The DOT replied, stating the application has merit, but they want the Borough to reapply in six months as they want the County to have more complete plans. If they did award us the money, we would be obligated to use it within a certain amount of time. Mr. Vaccarelli asked what the status of the bridge on Aberdeen Road and the replacing of the road. Mayor Altomonte said that will coincide with the dam project as they were looking to raise that road to have a detour for the dam project. Councilman Caldon said he has been involved with this project explaining the County and Borough negotiations are not yet final but currently it is a 65%/35% split in the cost. Aberdeen Road would be raised, and the original project entailed putting in a temporary bridge at Ravine Drive. The argument posed is that instead of doing the temporary bridge and incur that cost, the County would actually raise Aberdeen Road and that would become the thoroughfare when they close down Ravine Drive. Councilman Caldon agreed it is a project still in discussions. The last time he heard about it, the town was looking at a cost of \$1.5 - \$1.8M to do the dam and the road with the County to absorb the rest. It's a fluid situation and the Borough is fighting to get more dollars. There is \$2.5M set aside for this project in order for the burden to the taxpayer would not be in bonds and loans. Mr. Menna added there are ongoing engineering reviews, and both the County and the Borough have an ongoing contract with French and Perillo to study the security and stabilization of the soil. Those reports, funded by the County, are received on a regular basis. Councilman Cannon cited the precedent of the County assuming the cost of the projects in other areas of the County. Those options are being explored so that the \$2.5M could be put into deferred maintenance as opposed to being handed off to the County. Councilman Caldon added he was 100% behind the Mayor when he said that the Borough wasn't going to pay a dime for it, replying that if the Mayor could make that happen, it was fantastic. Mr. Vaccarelli remarked that the dam has been declared 'imminent failure' since 1979 – how many more years the Borough was going to wait before it actually does fail. Mayor Altomonte said his stance is that it all be funded by the County. Councilman Cannon said the idea is to explore every option before the Borough hands away \$2.5M. Mr. Vaccarelli said the dams need to be fixed. Councilman Cannon agreed but it is best the Borough take a few more months to see if they could make a better deal.

Craig Gately, 257 Harding Boulevard, Matawan. Mr. Gately informed the Main Street Citizen Alliance is trying to get a mural painted along the side of the AIM Dance Academy building. The owner ultimately decided that they didn't want to do it. Their next idea was to paint Lake Lefferts building. He spoke with a high school art teacher who is interested in having the students work on the project. He asks for Council approval as the building is Borough property. Mayor Altomonte requested the submission of a design plan for Council consideration. Councilman Caldon applauded the idea praising volunteers in this town as fantastic.

Mr. Gately asked Council to reconsider the Borough law against chickens in town.

Mr. Gately theorized if a 16-year-old, who may not be aware of his fourth amendment rights, gets stopped by a police officer and is found with an illegal substance, what is the procedure for this scenario. Mr. Ferrara referred Mr. Gately to the Police Department. Mr. Menna informed it is a juvenile offence not a criminal complaint. As the person is a juvenile it is sent to the Juvenile Conference Committee (JCC) for review. Mr. Menna explained the procedure in further detail. Mr. Gately requested that the Council decriminalize possession of marijuana. Mr. Menna explained Council does not have jurisdiction to enact those types of actions. That would be legislative, regulated by the State. Local government can't do anything about that.

Mr. Gately questioned an upcoming event, 'The Bark in the Borough,' to raise money for a Police Department K9 Unit: Why does the Borough want or need a K9 Unit? Mayor Altomonte replied with all the drugs in town and noted it was not just arrests for drugs but overdoses, too. Mr. Gately said he would like to see a Police blotter for the Borough as he'd like to review for the need for a K9 Unit. Councilman Cannon informed he has seen reports, and he was unsure if the public was privy to them, but he noted that Matawan is in a 'hotspot' especially with regard to heroin. He went on to explain what the need was, as he understood it. Mr. Menna stated if the Chief of Police was present, he could answer the questions for Mr. Gately. He noted that part of any K9 Unit isn't necessarily drug intervention, but in many instances K9 Units are integral parts of other cases, such as burglaries and thefts. Councilman Cannon said this is his hometown and the Police Department is offering to do a fundraiser to minimize any expense to the taxpayer. This will provide a service to discourage transient people coming through pushing heroin around Matawan. He has no problem supporting this. Mr. Gately asked when the last time there was a K9 Unit in town. Mr. Menna said Officer Wolf retired approximately 10 years ago. Mr. Gately asked what the cost is. Mayor Altomonte stated most of it looked to be either donated or funded.

Mr. Gately related the Federal Government recently opened up the 1033 Program again, to allow towns to get more military surplus gear. He does not approve as it is his belief it militarizes the local Police force. It's supposed to be a civilian Police force and not a militarized one. He encouraged Council to pass an ordinance prohibiting any gear being obtained for the Police Department from the 1033 Program. If not, he asks Council keep an eye on what is being purchased.

Mr. Gately mentioned with the election coming up he encourages candidates to get together for a debate, suggesting the League of Women's Voters to get a moderator and possibly hold the event at the Women's Club of Matawan. Councilman Caldon stated he was sent a screen shot of how they aren't reaching out. He said he sent a letter to the Mayor that he would love a debate with the candidate he is running against. There are a zillion issues that have gone on past and future, and what the vision is for the future of the town. He would love to see a full room and all the issues spoken about, not on social media but actually face-to-face with the people. He said he is accused of not being partisan with the fire truck, noting he was the one who called the Mayor to discuss the fire truck; accused of not being bi-partisan with the PILOT Program. He noted he was the one who reached out to everyone here to try and draft a Resolution addressing the PILO Program only to come to a Council meeting and have one presented to him without even a phone call. He acknowledged he has reached out for a debate and hopes that Mr. Gately could put some pressure to maybe get it going. Councilman Caldon and Councilman

Urbano are more than ready to debate the issues facing this town. Councilman Caldo said the other side has been notified and that Councilman Cannon said that he wanted them to call. Councilman Cannon interjected, stating that Councilman Caldon never returned his call. Councilman Caldon indicated that it was like Bernie Madoff being in charge of the hurricane. Councilman Cannon suggested that Councilman Caldon return a phone call. Councilman Caldon said they sent a letter and are ready to go, whenever they want.

Mayor Altomonte requested a motion to close the Privilege of the Floor. Councilwoman Salvatore made the motion, seconded by Councilman Vergaretti. Council agreed. Motion passed.

Adjournment

Mayor Altomonte requested a motion to adjourn. Councilman Vergaretti made the motion, seconded by Councilman Cannon. Council agreed. Motion passed.
