Dear Municipal Clerks,

Please find enclosed a copy of a public notice regarding a public hearing for the Resource Engineering Transfer Station. This is a proposed solid waste transfer station in Howell Township, Monmouth County. If you could kindly publically post this advertisement, I would greatly appreciate it. If you have already received this notice via electronic mail, please disregard this notice. If you should have any questions, please do not hesitate to contact me by phone at (732) 683-8686 ext. 8961 or by email at stuart.newman@co.monmouth.nj.us. Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Stuart A. Newman", is written over a horizontal line.

Notice of Public Hearing

Proposed Amendment to the Monmouth County Solid Waste Management Plan

A public hearing concerning a proposed amendment to the Monmouth County Solid Waste Management Plan will be held at 1:00 pm on Thursday, July 27, 2017, at the Monmouth County Hall of Records, Freeholder Meeting Room, 2nd Floor, One East Main Street, Freehold, New Jersey 07728. The purpose of this hearing is to hear and receive comments from persons interested in or affected by the adoption of this amendment that is described below.

Plan Amendment 2017-04

Amend the Monmouth County Solid Waste Management Plan to include a new solid waste facility in the Monmouth County Solid Waste Management Plan. This proposed facility will be a solid waste transfer station, which will be operated by Resource Engineering, LLC. This new solid waste facility is proposing to accept type ID 13 solid waste (bulky clean-up debris) and type ID 13C (bulky construction debris) for sorting, removing recyclable material from, and transferring to an out of state disposal facility for final disposal. This solid waste transfer station is proposing to accept 1,500 tons per day of this material for transfer. As part of this amendment to the Solid Waste Management Plan, the applicant will also enter into a Developer's Agreement with the Monmouth County Board of Chosen Freeholders to make improvements to the intersection of County Route 547 (Lakewood-Farmingdale Road) and Randolph Road, which include a traffic signal. Copies of this proposed Plan Amendment can be reviewed at the Municipal Clerk's office of each municipality in Monmouth County as well as the branches of the Monmouth County Library System.

Written comments received by the County will be appended in the record of public hearing and the record will be held open for written comments until 4:00 pm on August 4, 2017. Written comments should be sent to the Solid Waste Coordinator, c/o Monmouth County Reclamation Center, 6000 Asbury Avenue, Tinton Falls, NJ 07753. Any questions regarding this hearing or proposed amendments may be directed to Stuart Newman, Monmouth County Solid Waste Coordinator (phone 732-683-8686 ext. 8961).
