

NOTICE OF CONSTRUCTION

Dear Residents of Forrest Avenue,

Please be advised that on or about Monday, March 14th, 2016, weather permitting, work will commence to perform improvements to Forrest Avenue.

The work will include but not limited to installing new water main service, reconstruction of the concrete curbs, concrete sidewalks and the asphalt pavement. Construction will be taking place between 7:00 am to 5:00 pm.

The sections noted above shall be closed to through traffic between 7:00am to 5:00pm. **Residents and property owners located within the roadway improvement work zone are required to remove their vehicles from the work zone during the working hours listed above as driveway access will be limited. Curbside parking will also be restricted during construction.**

Please contact Lou Tedesco from T&M Associates at 732-865-9527 if you have special needs or requests that they should be made aware of. During construction, there may be periods of time where slight delays are experienced. As with all construction projects, we urge residents to proceed with caution in areas of construction and to follow all directions of the traffic control directors.

The contractor will make every effort to keep these interruptions to a minimum and complete this project as quickly as possible.

Thank you for your cooperation and patience.
