Dear Resident:

Please be advised that on Monday April 23rd 2018 weather permitting work will start on **Poet Drive** as part of the above project. Work hours are 7:30 am until 5:30 pm. Work will consist of some curb repairs, restoration of landscape and tree planting for approximately 5 working days.

Milling and paving will follow once all restoration is complete and you will receive another notice for that work before we commence the milling and paving.

During that portion of the project, temporary no parking signs will be posted along the road in the work area, please do not park your cars on the roadway where there are **NO PARKING SIGNS POSTED**

For everyone's safety, we urge you to use caution when driving in the work zone and to be aware of our construction equipment operating on the roadways. Please allow a few extra minutes for the potential delays caused by the construction.

If you have any questions please feel free to contact the Borough's project manager, Louis Tedesco from T & M Associates at 732-865-9527

We would appreciate your help by watering your lawn after it has been restored with top soil and seeding.

We apologize for any inconvenience that we may cause during these permanent improvements to your street and we appreciate your patience and help throughout the project, together we can complete and finish this project faster.

Sincerely,

S. BROTHERS MANAGEMENT
