Re: 2018 Road Improvement, Broad Street, Matawan NJ

Dear Resident:

Please be advised that on or about Monday November 4th, 2019 weather permitting work will start in front of your house as part of the above project. Work hours are 7:00am until 5:30pm. Work will consist of installation of water main work and therefore some discoloration in your water may happen.

During that portion of the project, temporary no parking signs will be posted along the road in the work areas, please do not park your cars on Broad Street where there are **NO PARKING SIGNS POSTED**.

For everyone's safety, we urge you to use caution when driving in the work zones and to be aware of our construction equipment operating on the roadways. Please allow a few extra minutes for the potential delays caused by the construction.

We would greatly appreciate your help in you could mark your sprinkle lines to avoid any damage to your sprinkler system. We would also appreciate your help by watering your lawn after it has been restored with top soil and seed.

If you should have any questions or issues pertaining to this project please contact the project manager, Lou Tedesco from T&M Associates, at 732-685-9527. Additionally, please do not ask the workers onsite any questions, since they may not know all the project details.

Sincerely yours,
Management
